

## Achievement In Sustainable Health Care

### Judging Criteria

Judges will score nominations based on the following framework.

#### **1. Impact on Care** / 15

Contributions by a team in how they have made a difference to support environmentally sustainable clinical care. Scoring in this category will consider how the submission includes impacts to one or more dimensions of quality.

---

#### **2. Leadership** / 15

This category considers how the nominee has shown leadership that will inspire others to take environmental action to improve quality of care.

---

#### **3. Impact on Sustainability** / 15

The nominee has made measurable impact to health care's environmental footprint and has a plan to spread and scale their innovative clinical practices to further mitigate against the impacts of climate change and its effect on improvement of care.

---

**4. Quality of Submission****/ 5**

The submission contains minimal spelling and grammatical errors, jargon and acronyms. The submission is presented coherently.

---

**Total****/ 50**
