Connecting Community to Quality: We're Stronger Together

Health Talks Student Contest

Calling all game-changers and visionaries! Have you ever dreamed of a better health care system? Do you have ideas that you think will make a difference?

Health Quality BC is looking for an individual or team of students (maximum of three people) to share their hopes for health care as part of our annual Health Talks event at Quality Forum 2024! Health Talks will take place on April 23, 2024, and is a Powered by PechaKucha event, which means speakers use images to inspire others. PechaKucha is a style of presenting ideas, knowledge and passion in an easy and memorable way. This format is simple, visual and short: 20 images x 20 seconds. Don't miss your chance to take the stage alongside a diverse group of speakers and potentially inspire a change to BC's health care system! The winner will also receive one complimentary registration to Quality Forum 2024. Your hope, or hopes, for health care can be anything. Outside the-box. Based on experience or a vision for the future. Micro or macro. Your options are limitless.

WINNER OF THE 2023 STUDENT CONTEST
